Dear Mr Smithson

RAINBOW 2000 PROJECT

Thank you for your letter of 29 December 2003 requesting an opportunity to address the Western Australian Planning Commission on the above subject.

Yours is a visionary proposal but on examination it is clear that it is not a proposal the Commission would support. I hope you'll understand that we are unable to include the matter on a meeting of the Commission.

I appreciate your interest in the development of Albany's future.

Yours sincerely

Jeremy Dawkins
Chairman
Western Australian Planning Commission

22 April 2004

Peter - my question is:
Who decides what goes to
the WAPC and how can
Jeremy Dawkins be sure what
the WAPC would think or do?
