Dear Mr ^{Neil} Smithson,

Thank you for your correspondence dated 27 November seeking an opportunity to provide a briefing on the Rainbow 2000 Project.

I plan to visit Albany towards the middle of 2009 and I would be happy to meet with you during that visit. My Appointments Secretary will be in touch with you when I am in a position to confirm the dates of the proposed visit.

In the meantime, if you have any recent information that is relevant to the topic to be discussed, may I suggest that you forward a copy to my Office, marked for the attention of the Appointments Secretary.

Yours sincerely
